A BRIEF NOTE:

Lakshmi Kitchen Equipments was established in year 2001 and is considered as one of the best kitchen equipment manufacturers in South India. We specialize in Design, Manufacturing and installation of commercial kitchens for Hotels, Restaurants, Fast Food Outlets and Clubs. Our valuable service is ready for Hotels, Schools, Colleges, Institutions, Hospitals, Processing Industries, IT Campus and all spiritual centres. We are manufacturing different types of Display Counters and racks for Super Markets and Bakery Shops.

"We are what we repeatedly do. Excellence is therefore not an act but a habit."
